

A great way to give to the ministry you care about... ESTATE DESIGN AND PLANNED GIVING

Turning Point is thrilled to be launching a new Planned Giving Program for partners who want to support our ministry while preparing for the future. Whether it be creating a will or exploring other creative giving options, our planned giving and estate design program can provide support for our ministry while providing useful benefits for you and your family!

One of the easiest ways to give to Turning Point is by leaving a gift in your will. If you haven't created a will then we can help you. Part of our Planned Giving Program includes coming along side partners and assisting them with the creation of a will while exploring the best plan for them.

We offer many creative giving options as well. These opportunities include options such as charitable gift annuities, noncash gifts, donor advised funds, and more. Many of these gift models can benefit you through tax savings and aid us as we continue our mission—delivering the unchanging Word of God to an ever-changing world. We hope you'll pray about the possibility of getting involved in our Planned Giving Program so that together we might forge a legacy that truly changes lives.

To learn more about our planned giving program, please visit www.DavidJeremiahGift.org, or contact Jenny Neighbour. Jenny will gladly assist you in exploring the best options for you and your family.
